

ICLS 1.5 Makes Installation Easy and Error Free.

Pre-Wired Relays
Pre-wired relays are installed at the factory and undergo 100% quality control testing.

Diagnostic LED's
The unit is equipped with diagnostic LED's for troubleshooting

Plug & Play Connections
Connections to teacher controls, occupancy & daylight dimming sensors are made by plenum rated plug and play connections.

Wiring Label
Detailed wiring diagrams show each wiring connection.

Terminal Blocks
Building and luminaire wiring are connected using terminal blocks.

5 Year Single Source Warranty
Every ICLS system is backed by a 5 year warranty (2 years on lamps) from Finelite.

FINELITE
Better Lighting

Installation Made Easy
