

Finelite Products Comply with the Build America, Buy America (BABA) Act

The Build America, Buy America (**BABA**) Act was enacted as part of the Infrastructure Investment and Jobs Act (**IJIA**) which established a domestic content procurement preference for federally funded infrastructure projects.

- Requirements apply to purchases of iron, steel, construction materials, and manufactured products that are permanently incorporated into infrastructure projects
- Cost of domestically sourced components must exceed 55% of the total cost of all components

Finelite's BABA compliant products:
